# Golpayegan

**G**olpayegan county is located 350 kilometers from Tehran and 186 kilometers northwest of Isfahan province, a city in the center of Iran called “half the world” due to its beautiful hand-painting and magnificent public squares

This historical city is surrounded by Markazi province in the North, Lurestan province in the west and Khansar city in the south. Golpayegan is rich in the light of antiquities and tourist attractions including Golpayegan Minarest, Jameh (Grand) Mosque of Golpayegan, Googad Citadel, Teimareh Petroglyphs, etc.

# Golpayegan College of Engineering

Golpayegan College of Engineering was founded in 1995 and has been affiliated to Isfahan University of Technology (IUT) since 2020.

This college has outstanding features and qualities in regard to academic research and education. The departments and majors at this college are given below:

## Faculty of engineering includes below departments:

### ■ Department of Mechanical Engineering

Majors	B.Sc	M.Sc
■ Mechanical Engineering	■	
■ Mechanical Engineering- Applied Design(solid)		■
■ Mechanical Engineering- Energy Conversion		■

### ■ Department of Industrial Engineering

Majors	B.Sc	M.Sc
■ Industrial Engineering	■	
■ Industrial Engineering- System Optimization		■

### ■ Department of Materials Engineering

Majors	B.Sc	M.Sc
■ Materials and Metallurgical Engineering	■	
■ Materials and Metallurgical Engineering- identification and selection of materials		■
■ Materials and Metallurgical Engineering- Ceramic		■

### ■ Department of Electrical and computer Engineering

Majors	B.Sc	M.Sc
■ Electrical Engineering	■	
■ Electrical Engineering -Power Systems Engineering		■

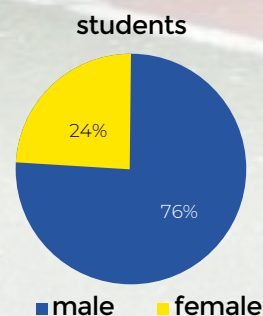

## Golpayegan College of Engineering in Numbers:

848 Students

184 Master's Students

664 Bachelor's Students

*1797 Alumni*

## 45 Faculty Members

4 Associate Professor

36 Assistant Professor

5 Instructor

## 54 Staff

19 Patent

## 7 published Books

58 Research Schemes

## Campus of Golpayegan College of Engineering:

- 1-Academic buildings include amphitheater, central library, conference room, 22 classrooms, center for information technology, computing room, consulting center and so forth.

- 2-Sport centers include health room, grass grounds, beach volleyball ground, multi-purpose indoor sport hall.

- 3-Cultural centers include prayer room, Petroglyphs Park and central mosque of the university which are under construction.

**M**echanical Energy Laboratory includes these following laboratories:

- Hydraulic and Pneumatic
- Fluid Mechanics
- Dynamics and Vibrations
- Thermodynamics
- Strength of Materials

**Vibration Lab**

**Fluid mechanic Lab**

**Mechanics of materials Lab.**

**Thermodynamics Lab**

**E**lectrical Engineering Laboratory, the following characterizations can be fulfilled in this lab.

- Single Phase Transformer
- Three Phase Transformer
- Asynchronous
- Synchronous
- DC Machine

#### 5-Dormitories:

- Golpayegan College of Engineering has prepared comfortable dormitories for female and male students, providing appropriate places to enhance the student's convenience.

#### 6-Dining Rooms:

- Two comfortable and quiet dining rooms and one restaurant and a café have been devoted to students in order to help students feel more convenient.

## Communication Ways:

Address: Golpayegan College of Engineering,  
Moallem Square, Shohade Gomnam Boulevard,  
Golpayegan, Isfahan, Iran.

Post Box: 87717 - 67498
