

Isfahan University of Technology

Cheikh Anta Diop University

MEMORANDUM OF UNDERSTANDING

between the

ISFAHAN UNIVERSITY OF TECHNOLOGY
(Iran)

and

CHIKH ANTA DIOP UNIVERSITY
(Dakar, Senegal)

In view of the importance of international cooperation in relation to academic, technical and educational issues between universities, Isfahan University of Technology and Cheikh Anta Diop University agree to join the following protocol in order to promote mutual cooperation in education and scientific research.

1. Within fields that are mutually acceptable, the following general forms of co-operation will be pursued:
 - a. Exchange of undergraduate and/or graduate students;
 - b. Exchange of faculty members and/or research scholars;
 - c. Joint research activities; in specialized courses, workshops and seminars
 - d. Exchange of scientific materials, information, library materials and publications;
 - e. Collaboration on providing opportunities for Split-Site programs for PhD students with participation of scholars from both universities;
 - f. Collaboration on providing opportunities for postgraduate studies such facilitating admissions to MSc, PhD and Postdoctoral program.
 - g. Staff training programming

2. For operationalization of any of the themes above or any other activities covered by this MOU, detailed proposals and plans will be prepared with mutual agreement.

3. This MOU is valid for five years from the day of its signing by both parties. The MOU could be renewed for further periods of time based on mutual agreement.
4. Changes to this MOU require a written notice from the concerned party and agreement of the revised text by authorized persons from both parties.
5. Termination of the MOU requires written notice by the concerned party three months in advance in which case the other party shall agree to the termination after settling any outstanding issues.
6. All financial and other arrangements, expenditures, terms and conditions and commitments will be negotiated for each specific activity/program as appropriate and they shall be administered in accordance with each institution's normal practices and policies, as well as the specific terms and conditions of the funding bodies.
7. This MOU was written in English; therefore the English text shall have the priority for interpretation of any possible disagreements.
